Some problems in modern government regulations of utilities, May 29, p. 17.

IN THE NATION'S CAPITAL: Telephone industry must protect itself against possible future public ownership storms . . . must thwart possible governmental ventures into communications. John L. Lewis' flirtation with dockworkers union might lead to third labor federation, Jan. 2, p. 15. . . . REA Administrator Nelsen appoints group of electric co-op leaders to advise him on rural electrification. . . . Indicates he senses need for getting closer to co-op in the field. Wire-tap bill running into opposition from Democrats. . . . May have trouble in passing, Jan. 9, p. 19. . . . Public utilities not mentioned in President's State of the Union message for the first time in many years. SEC drops "nuisance" proxies. Surge of telephone rate increase cases comes with New Year, Jan. 16, p. 30. . . . REA summarizes past year's activities. Annual meeting of NRECA occasion for "cards-on-the-table" discussion of power and REA policy. Plans made to combat recession talk. Reviews biography of Forbes, dynamic president and molder of predecessor of AT&T, Jan. 23, p. 17. . . . President's fiscal 1955 budget proposes more REA rural telephone loan funds—less for rural electrification. NRECA passes telephone loan resolutions. Eisenhower proposes tax reforms, Jan. 30, p. 21.

Covers new hope for excise tax cut aroused by House Speaker Martin. Increase in minimum hourly wage, asked by Eisenhower, to be studied by Labor Department. General Services Administration to lease telegraph lines from Western Union, Feb. 6, p. 13. . . . Independents appear on behalf of bill to increase exemption for companies issuing securities. Taft-Hartley Act and minimum hourly wage again in the news. Consideration of replacement cost now required in North Carolina, Feb. 13, p. 17. . . . Telephone industry has a fight on its hands to keep state governments out of the communications business. AT&T acts to keep holder of one share of stock from dominating stockholders' meeting. FPC ups rate of return in natural gas case to 6¼%. . . . Regulatory observers watching FPC policies closely, Feb. 20, p. 17. . . . Observes continuation of rate-making trend to "fair value" . . . important test cases up for consideration. Bell System initiates sales campaign for long distance service, Feb. 27, p. 17.

Florida Supreme Court holds commission cannot deny justifiable rate increase because of complaints of poor service. Administration plans steps to avoid recession. Securities industry starts campaign to encourage individuals to invest in American business, Mar. 6, p. 17. . . . House Committee proposes cut in excise taxes including those on telephone service. Senate hearings on changes in Communications Act started. Delaware court rules that reproduction cost must be given dominant weight in determining "fair value of property," Mar. 13, p. 22. . . . House passes excise tax cuts. Committee approves bill to save intrastate telephone companies rendering radio service from full FCC jurisdiction. House refuses to approve government expenditures for relocation of utility facilities along federal highways. California microwave project loses support, Mar. 20, p. 24. . . . Reviews progress on excise tax cuts . . . also dividend taxes, income tax exemptions, corporation taxes and depreciation rates. Hit-and-run strikes illegal, rules NLRB. More on Idaho public telephone and power question, Mar. 27, p. 17.

Predicts 10 per cent excise tax ceiling will become law. Idaho petition for public power and communications authority falters. Approval of O'Hara bill by President and Senate certain. FCC closes hearings on getting Western Union out of international telegraph business. FCC fee schedules checked, Apr. 3, p. 13. . . . FCC officially kills investigation of interstate toll rates started in 1951. New provisions for wire-tapping bill proposed. Excise tax reduction bill passed. FCC regulatory fees held up, Apr. 10, p. 19. . . . Wire-tapping bill running into "heavy weather." U. S. Supreme Court tells FCC it overstepped jurisdiction in ruling out radio-television "giveaway" programs. REA's political glamor draws bigger House appropriations than recommended by President, Apr. 17, p. 18. . . . Congress completes action on Rogers-O'Hara Bill. Bill to increase exemption from SEC registration requirements runs into snag. FPC throws overboard its standard strict original cost basis for establishing rate bases. Western Union president outlines company's problems, Apr. 24, p. 17.

More on the FPC's change in rate base policy. Discusses status of FCC chairmanship. . . . FCC's VHF and UHF television problem. Progress of wire tap bill. Southern Bell T&T rate plea turned down in Alabama, May 1, p. 17. . . . FCC commissioner urges use of telephone and telegraph communications by industrial users such as pipelines, railroads, etc. REA adopts new pre-loan procedure for telephone loans. Election results of interest to regulated utilities, May 15, p. 20. . . . FCC passes telephone answering case questions back to state commissions. FCC awaits decision by Congress on paid subscription TV. Discusses Mountain States T&T's EAS plan. Two Bell companies receive rate increase denials, May 22, p. 22.

Idaho commission charged with usurping management's judgment in Mountain States Tel. & Tel. Co. case. Senate looks at UHF-VHF television problems. New York Central Railroad stockholders' fight presents lesson in democracy of the American corporation, June 5, p. 19. . . . Doerfer renamed to FCC. Senate plays politics with REA appropriations . . . grants more to agency than the President requested. FPC chairman speaks on utility regulation. Indiana Bell upheld in dismissing employes for alleged acts of misconduct in 1953, June 12, p. 20. . . . REA telephone co-ops organize . . . select officers and directors . . . choose the name National Telephone Cooperatives Association. Discusses Supreme Court decision in Phillips Petroleum Co. case . . . FPC jurisdiction, public interest and possibility of regulating utility supplies. Action on tax front, June 19, p. 17. . . . New York Commission opposes New York City's move to block trying of Bell company's rate case on statewide basis. Court rules against FCC hearing on allegation that a broadcaster was once a communist. CIO spokesman views on public ownership of utilities clash, June 26, p. 17.
